Advisory Board

Co-funded by the
Erasmus+ Programme
of the European Union

Contents of this document are entirely produced by Nectar project, therefore EACEA and European Commission have no responsibilities on them.

AGREEMENT NUMBER – 621707-EPP-1-2020-1-BE-EPPKA2-SSA

1 Introduction

The Advisory Board will consist of 4 experts from piloting countries and 1 expert from another (potential rollout) country. The Board will provide feedback for key deliverables e.g. :

- the defined Occupational Profile
- the Curriculum
- the training material
- the delivery of the pilots

AB members cover a broad range of experts, e.g. from VET, economy, labour market services, recognition or accreditation institutions, gastronomy, health and nutrition. The know-how of the AB members and the External Reviewer should together cover this broad range.

2 The Members
