

# General Assembly

## Tasks

*The General Assembly (GA): is the ultimate decision making body of the Alliance. It consists of one representative of each Party. Each Member shall be deemed to be duly authorised to deliberate, negotiate and decide on all matters listed in Section 6.3.6 of this Alliance Agreement. The Project Coordinator will chair all meetings of the General Assembly, unless decided otherwise by the General Assembly. The Parties agree to abide by all decisions of the General Assembly. This does not prevent the Parties from submitting a dispute for resolution in accordance with the provisions of settlement of disputes in Section 11.8 of this Alliance Agreement.*

*The General Assembly provides input into strategic and organizational issues and defines the project standards and agreements on all project policies that must be formally and explicitly stated. Tasks assigned to consortium partners are considered as contractual obligations. The responsibilities of the GA is to:*

- (1) Review project progress and control the activities;*
- (2) Ensure that the project maintains its relevance;*
- (3) Be aware of relevant activities in other projects;*
- (4) Resolve any technical administrative or contractual issues, which have not been resolved by other means within the project;*
- (5) Be the overall quality manager of the project.*

*Decisions are taken on a consensual basis, and in case of disagreement, a final decision is taken.*
